We teach your 10 fingers to make beautiful music

Free booklets reveal the secret of teaching yourself to play the guitar, the piano, or spinet organ—*the "right" way.*

Many people are content to "fake their way" through the tunes they love. Strumming a few chords or pecking at a few keys. And it's such a pity.

Your fingers could make beautiful music if you gave them the chance.

They could be playing folk or rock. Classical or pop. Hymns or spirituals. Jazz or ballads. All your favorite songs.

So why miss out on the thrill of making your own music? Give yourself a chance to become as good as you *really* could be! You can teach yourself to play the "right" way – at home – in much less time than you might imagine.

Play "right" from the start

Thousands of people like you have taught themselves to play with the U.S. School of Music courses. By mail. And you can too.

The secret lies in our *clear*, step-by-step, word-and-picture instruction method. It teaches you to play the *right* way. Without gimmicks. You learn to read and play notes . . . so you'll be able to play practically any song, merely by looking at its sheet music.

But how do you know you're doing it right? Easy. A lot of the songs you practice first are simple tunes you've heard many times. And since you already know how these tunes are supposed to sound, you can tell immediately when you've "got them right."

Then you go on to more advanced pieces. By this time you can tell if your notes and timing are right, even without ever having heard the songs before. Sooner than you might think possible, you'll be able to play the kind of music you like.

You learn in spare time, in the privacy and comfort of your own home. There's no one standing over you to make you nervous. And because you teach yourself, you can set your own pace. There's no clock-watching private teacher at $4 to $10 per hour to worry about. You take as much time mastering any lesson as you wish.

It's really such a marvelous way to learn. In fact, graduate Jeffrey Livingston wrote to tell us, "The course was excellent. I knew almost nothing about playing an instrument before I enrolled."

If you've ever dreamed of being able to play the piano, the guitar or the spinet organ, why not learn more about our convenient, low-cost way to learn? Mail coupon for free booklet today. With it we'll include a free "Note-Finder." There's no obligation. U.S. School of Music, A Home Study School Since 1898, 417 S. Dearborn St., Chicago, Illinois 60605.

Nick and Ray during their long stint as AWA tag team champs.

THE END OF AN ERA

THE TRUTH BEHIND THE BOCKWINKLE-STEVENS SPLIT

by Bob Ruiz

They were as unalike as night and day, yet together as a team they were possibly the best combination in wrestling history. That was Ray Stevens and Nick Bockwinkle of California.

The following is a detailed analysis of what caused the breakup of a world championship tag team duo, by a man who was there years ago when it started.

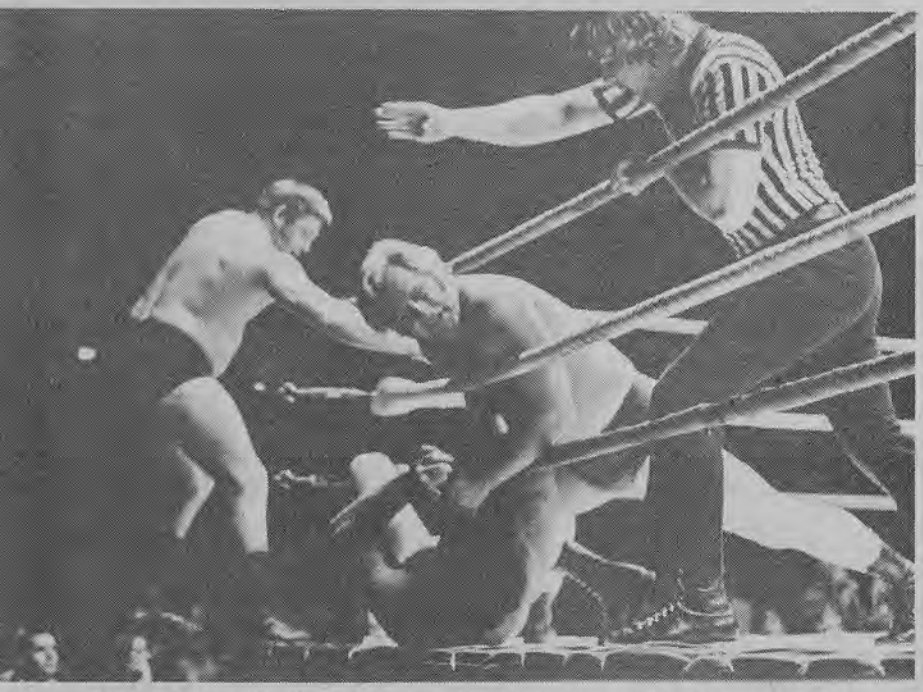
As with any parting of the ways concerning two persons, there is no one single event that transpires that would cause these two former friends to become bitter enemies. Rather it is the result of a great many little things that have occured over a lengthy period of time.

Perhaps the differences in the very natures of both men started the friction or was at least one of several under-lying factors. Stevens was the self made man. A high school dropout who learned his way in life the hard way. Nick on the other hand was the college graduate with a brilliant mind and a taste for the finer things in life. There was no common boundary for a meeting of the minds. They were worlds apart in spirit and sometimes in body.

Ray liked to live his life fast and dangerous. He loved to ride his motorcycle at breack-neck speeds or rodeo until all hours of the night. Women were and still are, a favorite past time of the blond Stevens. Bockwinkle favored a more conservative type of existence and preferred to settle down with only one woman rather than play the field like a certain tag partner he knew.

In the ring, all those differences never seemed to matter that much. They concentrated on the job at hand and did so very well, to the extent of the world tag team championship, no less.

At the peak of their form, the tag team combination of Ray "The Crippler" Stevens and Tricky Nick Bockwinkle were invincible. Yet, less than a few years later, this potent team would split up to become one of wrestling's biggest surprises.



Nick Bockwinkle has his opponents in trouble outside the ropes while his partner Ray Stevens gets set to lend a hand.

Although brought to a head during television interviews, the real split was not an overnight happening. Instead, it was a long time coming. Friction between partners is like a slow burning candle but eventually it must reach its climax and surely did with Nick and Ray. Herein lies the true story of the break-up of what some called the finest tag team in modern times.

While it may seem strange now, when Stevens settled on Bockwinkle as a team partner, Nick was a virtual unknown, obscure and unimpressive wrestler of no repute. Although his career had started out successfully enough, it had gradually fizzled out by the mid-sixties. Ray was the big noise around wrestling at this time and the AWA had spared no expense to lure the San Francisco blond bomber to Minneapolis.

Stevens was promised an immediate shot at the current tag champs upon securing a team partner. The arrogant blond agreed to work with the unrated Bockwinkle but only on a trial basis. Ray had in the back of his mind to trade Bockwinkle in when somebody better became available. However, as fate would have it, the combination of the two former Californians jelled like nothing before seen. It was that mysterious force in sports called "Chemistry" and it worked in favor of Ray and Nick who shortly after teaming became the AWA tag team kings.

As champions, Stevens and Nick held the belts longer than any other team before or since. Over three years in fact, later losing the belts briefly but regaining them handily.

During their early stages as champions, Ray quite naturally emparted his many years of ring wisdom onto a willing pupil in Bockwinkle. Although Nick was a fine wrestler in his own right, he still had much to learn and Stevens was the man to teach him. Bockwinkle was mainly a clean, scientific wrestler up to this point but Stevens changed all that and quickly.

During these first two years as champions, there was no question as to the captain of the team, it was Stevens. Ray was the star attraction of the team and he knew it. Nick was kind of thought of as being along for the ride. Even though Bockwinkle did more than his share of the work in the ring, it was still the magic of the Stevens name that brought the fans out in droves on those chilly nights in the mid-west.

However, a strange thing began to take form after the duo regained their titles. More and more, Bockwinkle began to get the attention. His full personality began to emerge as well as improvements in his ring style. Suddenly, Ray found himself taking a back seat to Nick. Although Stevens didn't say much about it, it wounded his pride to think that a man he had more or less developed into a main eventer was now stealing the spotlight. It was during these trying times that Bockwinkle first became aware of a budding tension between him and Ray, the start of which would eventually destroy them as a team.

Stevens expressed his displeasure at the new situation in sublte ways, like insisting he be the one to score the pin whenever the opponent in a tag bout was ready to go. This arises often in tag bouts where you have two men working in conjunction with one another. They expertly wear down a selected foe by preventing him from making a tag off or by simply concentrating their strongest efforts on said foe whenever he does enter the ring. This is appropriately enough referred to in wrestling and boxing as "The set-up". Consequently, Stevens insisted on scoring the kill whenever possible and Nick grudgingly went along with this.

Bockwinkle, left, and Stevens check out some photos of themselves in action after winning their match in Omaha.

For a time, Nick and Ray were able to surpress their growing animosity with each other, at least while in the ring. Towards the latter stages of their championship reign, Bockwinkle had decided he'd had enough of Stevens' tyranny and scored pins when ever the mood hit. Consequently, Ray was not always there to help out in rough moments as he had been in the past. The greatest rule in tag team wrestling is never let your partner absorb more than a minimal amount of punishment. It's illegal to rush in to action (untagged) and bail out your partner who may be trapped in a corner but it is effective nonethe-less. It is this rule of thumb that made the Stevens — Bockwinkle team so formidable at one time.

Gradually, both men played little tricks on each other like pretending not to see when one man was in trouble. As a result, both men were wearing down physically and it was just a matter of time until someone lifted the title from them, which is just what happened.

After losing the belts, Bockwinkle stayed right with the AWA trying to pick up his shattered career while Ray went into a semi-retirement for several months. The AWA decided later that Nick and Ray were entitled to a series of rematches against the new champs, Bruiser and Crusher. The AWA figured the two ex-champs had seniority if nothing else to recommend them.

When Stevens was located, he had been doing nothing but rodeo, his favorite hobby. He was not in shape for the ring, not the kind of shape required to win back championships. The Californians were beaten in their title attemps and beaten badly. Never had the two looked so bad together. Both blamed the other for the losses and resentments flared anew.

Stevens returned to California while Nick concentrated on the AWA. For a time, Bockwinkle tried a couple of different partners including Baron Von Raschke. However, the old magic he had with Ray just wasn't there anymore, so Nick decided to work towards the singles crown dominated by Verne Gagne.

To the startled amazement of all, Bockwinkle won the AWA heavy-

weight championship. No less stunned was Ray Stevens who learned of the news the next day while sitting at home in an easy chair. That was the last straw for Ray, the punk wrestler he had made into a super-star was now rising far above the teacher. It was more than Stevens could stand.

Bockwinkle and Stevens had both been managed by Bobby Heenan during the last stages of their tag team title reign. However, Ray resented the fact that Heenan would side with Nick during arguments and so for a time, Ray worked the NWA while Nick stayed AWA. Eventually they were all reunited in hopes of securing for Heenan "The Family" he had never had as a child. Bobby already had the newest team champions in BlackJack Lanza and Bob Duncum as well as Nick, the solo champ. Stevens was made to feel like low man on the totem pole and he didn't like the feeling.

During interviews, the other "family" members tried to squeeze Stevens out of the conversations. This went on for months until Ray made the first move. In front of a shocked midwest TV audience, Ray flattened Heenan and was himself clobbered by the rest of the family in a wild melee. Heenan was to be given an award as manager of the year when the incident struck and forever severed "family" relations. The die was cast.

Although it was Heenan who absorbed the first blow, it was Bockwinkle that Ray was really striking out at. If you know Nick, the way to hurt him is to hurt his manager and that Ray surely did. The fisticuffs was the culmination of tension between the two men, Bockwinkle and Stevens, that carried over not only in the ring but outside as well. During their last months together as part of the "Heenan Family", the members always took turns doing the various minor but important tasks that a wrestler must do. Things like arriving in certain cities a day before time to pick up and examine contracts, arranging for pilot's license, etc. There were a hundred and one tasks that Heenan the manager was not always able to get to so he would ask one of the family to handle a few of them. When it was Stevens' turn, he "Could not find the promoter's office" or "I missed my plane". On a few occasions when Ray was booked to wrestle with Nick as a team partner, Stevens would forget all about the match and not even show up at the designated arena.

Both sides had enough reasons not to want to continue as a team and maybe both were right. Who knows? Still, many fans will miss seeing this once unbeatable combination now on the rocks. It is truly the end of an era. ■

Massive Dusty Rhodes spins around in obvious agony after being hammered by Ray Stevens, left. Note how Bockwinkle distracts referee while Ray does the damage. An easy win for the ex-tag team champs in an Omaha match.

Portraits of two champs in action, the student (Nick) and his teacher Ray.

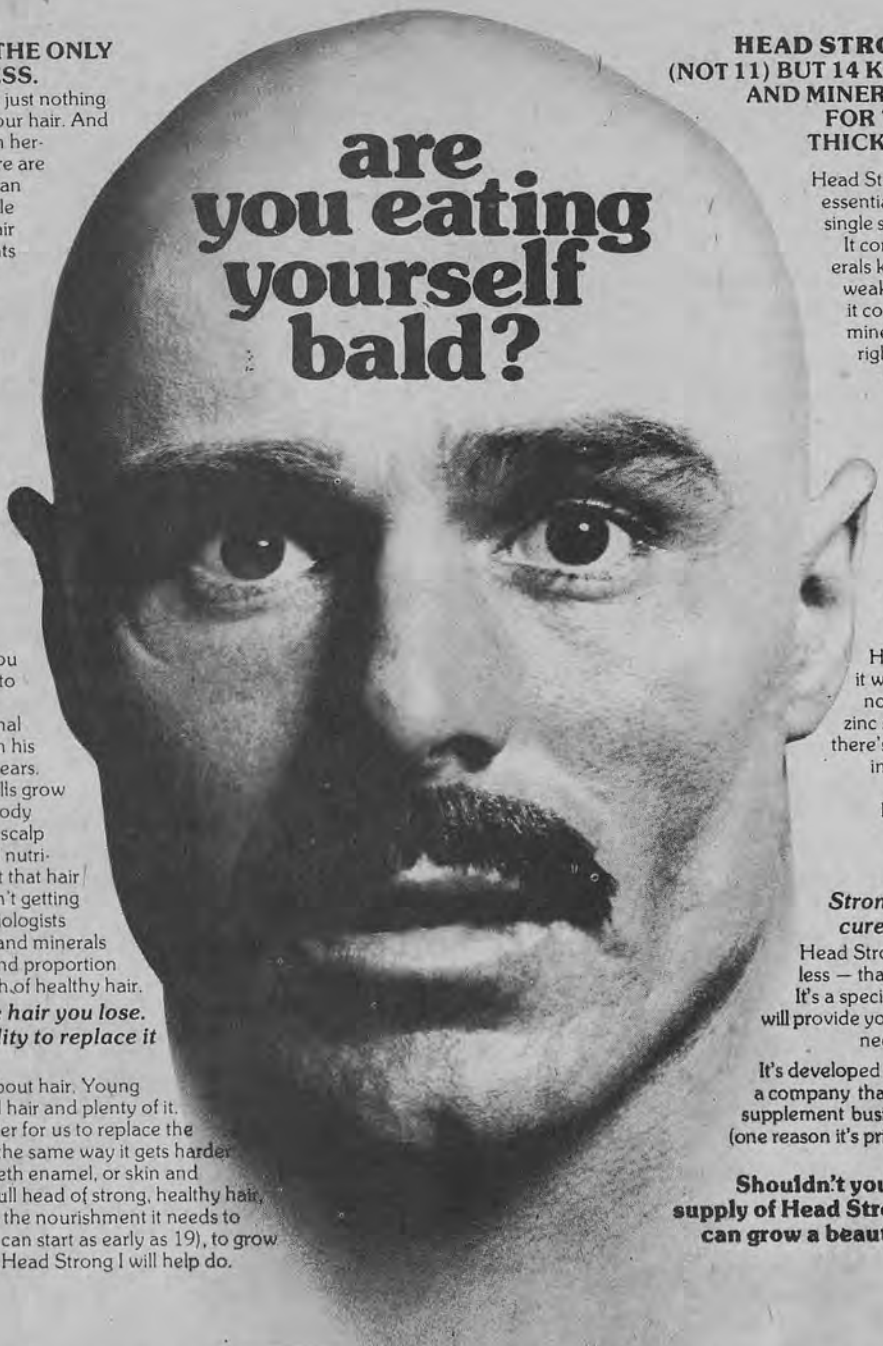
are you eating yourself bald?



HEREDITY IS NOT THE ONLY CAUSE OF BALDNESS.

You may think that there's just nothing you can do about losing your hair. And if your problem stems from heredity, you're right. But there are other causes of hair loss than heredity. How many people do you know who have hair problems but whose parents have thick healthy heads of hair? It's not unlikely that a lot of people reading this ad have hair problems that can be corrected by simply providing their hair with the nutrients it needs to replenish itself.

YOU COULD BE STUFFING YOUR BODY AND STARVING YOUR HAIR.

You may be overweight. You may be constantly stuffing your body with gourmet foods. And yet you may be starving your hair to a slow, sure death. It's a scientific fact that the normal adult replaces each hair on his head every three or four years. And that hair and scalp cells grow 7 times faster than other body cells. In other words, your scalp and hair have very special nutritional needs. It's also a fact that hair simply will not grow if it isn't getting the proper nutrition. Physiologists have found that vitamins and minerals in the right combination and proportion are essential for the growth of healthy hair.

Don't worry about the hair you lose. Worry about your ability to replace it with new hair.

There's no real mystery about hair. Young people have lustrous, vital hair and plenty of it. As we mature, it gets harder for us to replace the hair we normally shed — the same way it gets harder to replace bone cells or teeth enamel, or skin and muscle tissue. To have a full head of strong, healthy hair, we need to give the scalp the nourishment it needs to fight against aging (which can start as early as 19), to grow new hair. That's what our Head Strong I will help do.

HEAD STRONG I CONTAINS (NOT 11) BUT 14 KNOWN VITAMINS AND MINERALS NECESSARY FOR THE GROWTH OF THICK, HEALTHY HAIR.

Head Strong I contains nutrients essential for the growth of every single shaft of hair in your head. It contains vitamins and minerals known to help avoid hair weakness and color loss. And it contains all these vitamins, minerals and nutrients in the right quantities, chelated or complexed for fuller absorbtion. In non-hereditary cases, in which hairloss is directly attributable to vitamin and mineral deficiencies, hair has been reported — over and over again, in one case after another — to literally thrive after the deficiencies were corrected. For example, in the 1973 Human Hair Symposium, it was reported that hair will not grow without sufficient zinc sulfate. In other words, if there's not enough zinc sulfate in your diet, you may lose your hair. It's that simple. How much zinc sulfate is in your diet?

Don't confuse Head Strong I with high-priced cure-alls and imitations.

Head Strong I is no more — or no less — than what we claim it to be. It's a special dietary formula which will provide your hair with the nutrients needed to grow and thrive.

It's developed by Weider Laboratories, a company that has been in the dietary supplement business for over forty years (one reason it's priced so much lower than its major competition).

Shouldn't you try a 1 or 3 month supply of Head Strong I and see if you can grow a beautiful, thick, healthy head of hair!

FREE! HEAD STRONG I BOOKLET. CARING FOR YOUR HAIR.

While Head Strong I nourishes your hair from within as hair should be nourished, we'll show you how to help protect and create vibrant, thick, healthy hair from without. You'll be shocked at the many things you probably do every day that harm your hair.

KEVIN SULLIVAN VOWS TO PROTECT SAMMARTINO

by Frank Amato

It was a cold wintery night but inside the huge sports palace of Madison Square Garden it was comfortable for the sellout. The night of matches were just minutes from starting. One wrestler who was there would not be part of the match-ups. No he would have to be content with watching from the sidelines. It was surely not his way. For Kevin Sullivan wanted to wrestle but that surgical neck collar he wore prevented him from the festivities of this night.

The leg scissors is one of Kevin's favorite holds.

Kevin Sullivan was downhearted, mad of temper but yet afraid. Not afraid for himself but for a wrestler he admired. Ths wrestler was WWWF World Heavyweight Champion Bruno Sammartino. Kevin Sullivan was deeply concerned for the well-being of Bruno. For on this night Bruno was meeting the former Olympic medal winner Ken Patera. Kevin Sullivan knows what Patera can do. It was Ken Patera who injured Kevin with Patera's feared Swinging Neckbreaker. This hold nearly ended Kevin's mat career. Now Patera was seeking another victim and the title. The concern was etched on Kevin's face. He appeared very nervous.

"Somehow Bruno must win. He can only win by staying away from that hold", said Kevin Sullivan. "If he clamps that hold on Bruno I shudder to think what may happen. I was healthy and my neck was fine. Yet look what that hold did to me. Now you know what happened to Bruno in April of last year when Stan Hansen broke Bruno's neck with that Lariat. Sure Bruno recovered and beat Hansen and others. Yet many fear Bruno's neck has never fully healed. At least he's never faced anyone other than Hansen who works on the neck. This Ken Patera is considered the strongest wrestler today. With his power and that vicious neck hold on Bruno's neck well I hate to see the consequences."

With that Kevin stopped abruptly.

"I'm not the only wrestler he's injured. What happened to me happened to Johnny Rivera. When I wrestled Ken Patera I had my battle plan all set. I would use my speed and agility to stay away and tire Patera. In fact it was working out fine. Then I made a slight mistake and I became engulfed in that hold. The pain was excruciating and I hoped to black out. Yet the pain was so great I couldn't. It seemed I was swinging forever and Patera was trying to do more than beat me. He actually was trying to cause an injury which he did."

Ken went on, "I was rushed to a hospital and x-rays were taken. They showed I had torn muscles and vertebraes. The doctor told me if the injury had become more serious I would not be wrestling ever. In fact I might be confined to a wheelchair for the rest of my life. Man I

tell you I was scared. I'm still scared now. Scared for Bruno and anyone else Patera catches in that hold."

"I have a mission that I just hope will work. I'm trying to get a petition signed by all the wrestlers to have this hold of Patera's banned. I know this will take some time. Some wrestlers are eager to sign. Others feel no hold should be banned, so they have held off signing. I believe this petition will open the eyes of the WWWF commission and look into this hold. They must to preserve the well-being of other wrestlers."

"I've never tried anything like this before. When I met a wrestler who was considered a roughouse type I fought back anyway I could. Sure they were out to win and they wanted to hurt you. I've always fought my own battles. Win or lose in that ring. But this thing with Patera is more than personal. I love wrestling and it has been good to me. I have made many friends. I don't want them injured badly or their ring careers stopped because of some ego maniac who uses his superior strength to leave broken bodies in his wake in his quest for a title. Every wrestler would love to win that world title someday. I know I do. Yet you don't see me injuring anyone to the point of mere vicious tactics to win that title. I don't wrestle that way."

Kevin Sullivan is considered a very up and coming young ring matman. His ring knowledge and ring agility is strongly known. He can execute a perfect Dropkick or Flying Headscissors. His ring speed has helped him win many matches against much bigger opponents. Kevin at 5' 10" tall and 235 pounds usually gives away both height and weight to opponents in matches.

I've never let my height or weight against bigger wrestlers worry me. I know what I can do I have beaten much bigger men and will continue to do so. I will admit I have lost to bigger wrestlers in scientific matches. I have lost to bigger men in rough style matches. Who hasn't lost matches in their career."

Kevin Sullivan comes from Lexington, Massachusetts. His father was instrumental in getting Kevin interested in wrestling being a weight lifter and amateur wrestler himself. Since the age of ten young Kevin Sullivan has wanted a pro mat career. He was his states amateur wrestling champion three years in a row. Soon after Kevin Sulivan sought his fortune in pro wrestling.

Most of Kevin Sullivan's ring experience has been gathered in the southern areas. In Florida Kevin teamed with Mike Graham and they won the Florida State Tag Team Championship. Kevin also won this title with Haystacks Calhoun. The Southern Heavyweight Championship was won by Kevin and the Mid-Atlantic Title.

"With Haystacks Calhoun you have the big strength of one man and the speed and agility of another. Our combination withstood many tag teams because of this difference. When I teamed with Mike Graham we had another kind of team. We both possessed great speed, agility and ring knowledge. So our tactics were different as that with Calhoun."

"When I wrestle a much bigger

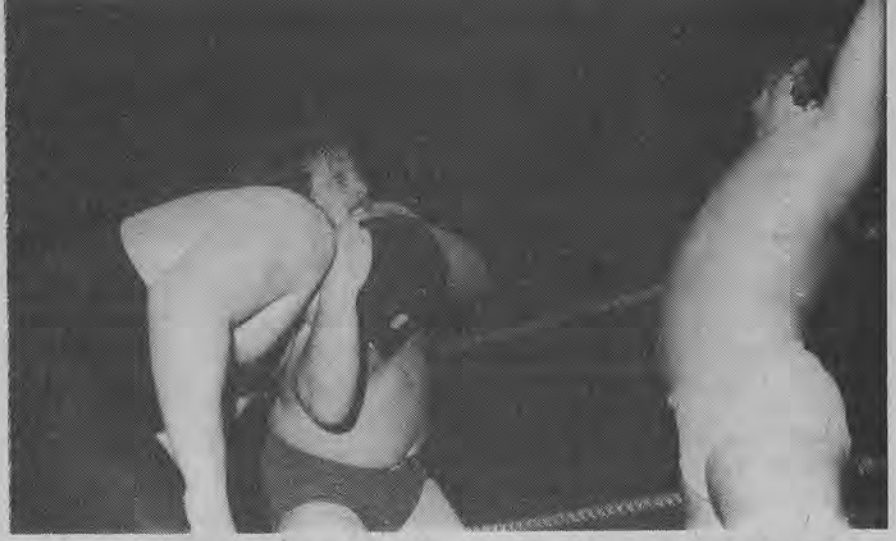
He then switches to an armbar to take further advantage of his man.

It's wildman Bugsy McGraw's turn to feel the pain of a Sullivan armlock.

wrestler I use my speed to offset his height and weight. It reminds me of when I was a young teen and my father took me into the woods. We came upon these two skunk trees. My father pointed to one of them and told me to push it over. I couldn't believe my ears. He insisted. So I went to this tree and pushed with all my might. Well over this tree went, right to the ground. It seemed this skunk tree looked strong on the outside but inside it was rotten. My father said some wrestlers are that way. Strong and tough looking on the outside but rotten inside. When the going gets tough they break. You know there are times this does happen."

"There are some big wrestlers around here in the WWWF. Like Stan Stasiak, Bruiser Brody, Tor Kamata, Nikolai Volkoff to name a few. Sure they are strong and mean on the outside. But what of their insides? Can they take the punishment? They are so intent on using illegal tactics they forget the finer skills they possess. I would wrestle these men the same way. Stay away making it a cat and mouse game. They have to catch me. When they do there is trouble."

Kevin Sullivan has yet to wrestle for the world title in any alliance. "When I was in Florida and the south I was highly rated, at least I thought so. Jack Brisco was the NWA Champion and I've worked out with him. I asked for a title bout but he said get in line. I did but I never received that shot. I left months later frustrated but determined. That was when I came to the WWWF."



Kevin winds up to deliver a double axehandle to Executioner No. 2 while Pat Barrett holds the masked meanie during a tag team bout.

"I know usually a scientific wrestler never meets Bruno Sammartino for the belt. I'm not mad about this. I came to the WWWF seeking experience against much bigger opponents who do wrestle here. If you can't make it here you can't make it big anywhere. This is the big apple you know. I feel I've made it. My opponents know when they wrestle me they have a bout on their hands."

Kevin Sullivan prefers singles competition but accepts tag team matches. He has teamed with Haystacks Calhoun, Pat Barrett, Dominic DeNucci, Gorilla Monsoon, Jose Gonzales, Johnny Rivera, Bobo Brazil and Ivan Putski, with success.

Sullivan can play it rough with the best of them as Ernie Ladd finds out from a jolting right.

"Tag team matches are exciting. It gives you needed experience against opponents. This experience takes toll when you may meet these wrestlers again somewhere else. You also get to know how your partner handles himself. That comes in handy for later matches, perhaps against them."

Kevin Sullivan takes offense at the managers in pro wrestling. Once in Florida Kevin seized Dandy Jack Crawford and administered a beating so badly it was instrumental in closing the career of Crawford. Now Kevin has three managers to contend with. Grand Wizard; Fred Blassie and Captain Lou Albano.

I would love to meet these three in singles matches. I owe these nuts plenty. When Patera hurt me I remember Albano gloating and laughing like a lunatic. He loved what Patera did to me. This maniac turns his wrestlers into killers. They become more rotten than ever being so associated with him. This goes for Wizard and Blassie. They are a pure menace to wrestling."

"I believe that Albano told Patera to injure me on purpose. Albano knows my feelings towards him. Albano feels safe outside that ring. I wonder how brave he would be inside that ring against me. I have plenty to pay him back for."

The matches were just ready to start now and Kevin grew more nervous. Bruno's match comes on soon. I hate to watch it but I must. I must wish Bruno luck and perhaps try and tell him what to watch out for. Meanwhile I will try to get this petition passed. I must try. I hate to think of the terrible anguish that hold can cause to a wrestler. This hold must be stopped. It must."

WAR RAGES AGAIN IN THE SOUTH

Once again a murderous feud has erupted in the Southern States. In this hotbed of wrestling furor where epic battles and other long-lasting feuds have come and gone through the years, it appears as if Paul Jones and Ric Flair have started yet another series of battles which promise to become a full-fledged war.

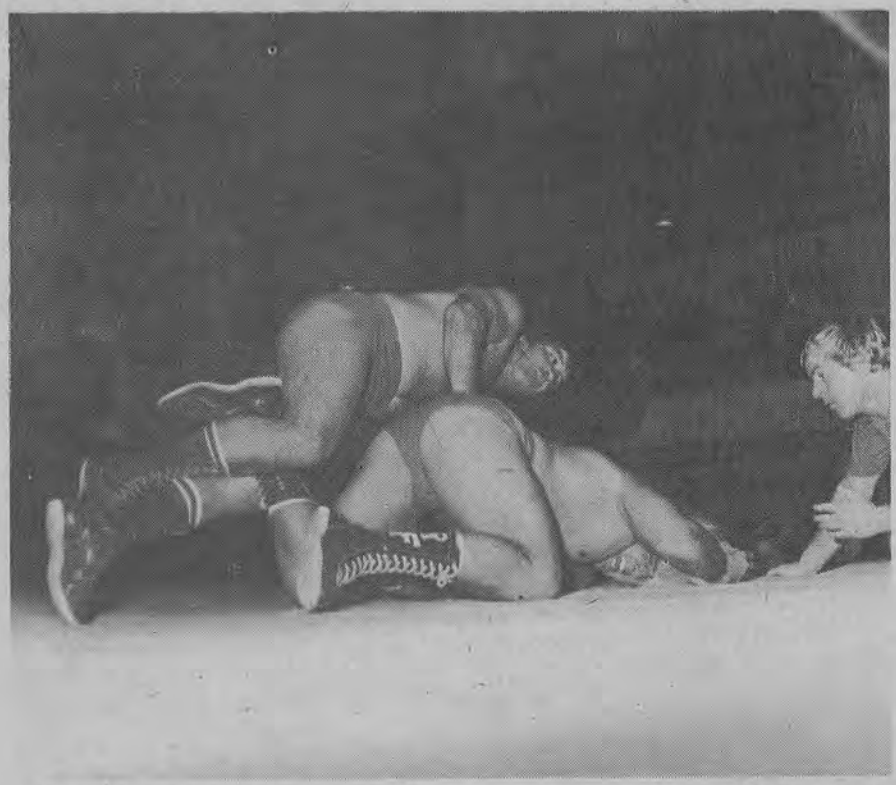
On one side, Paul Jones hero of the fans and a real class guy, fights "Nature Boy" Ric Flair, synonymous of all the mayhem those bad guys with the blond hair can dish out. In the accompanying photos, Gene Gordon has been able to capture all of the excitement and fury of these matches.

Yes a war to the finish has been declared between the two heavyweights and it looks as if even the eventual winner will come out of it in a very bad way.

Getting ready for another night of wild action, Paul Jones (left) and Rick Flair pose for the camera in their warmup outfits. Not that Rick, also known as "Mr. Box Office", prefers the more obvious accoutrement.

Rick Flair shows off the back of his robe for the fans.

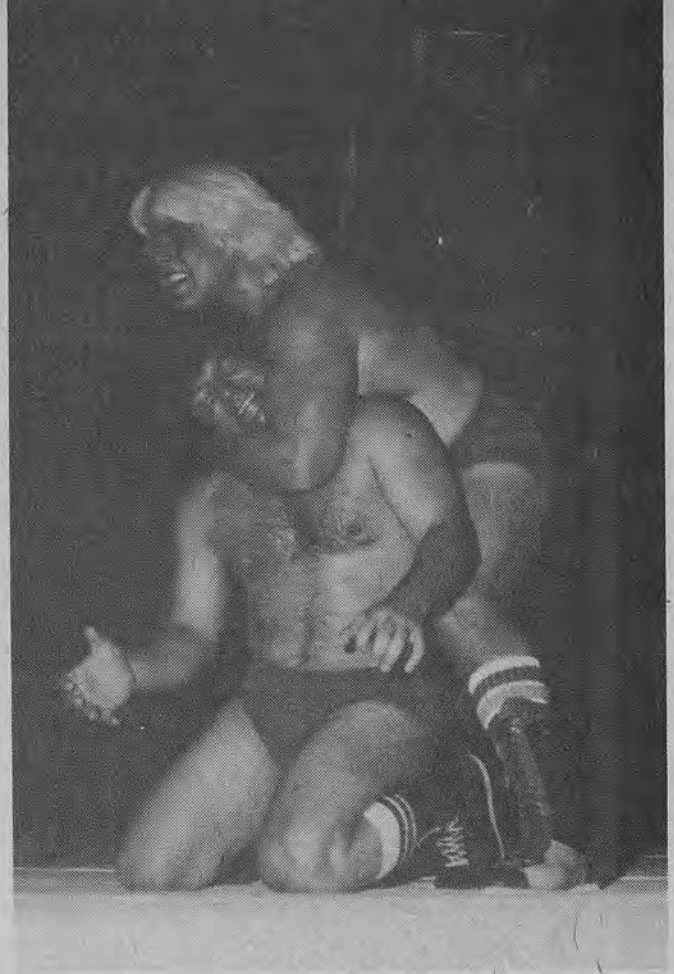
Paul Jones is surrounded by his admirers as he leaves the ring following an outdoor match.



Paul has the advantage over his opponent Rick Flair as he applies an armlock on his prostrate victim.

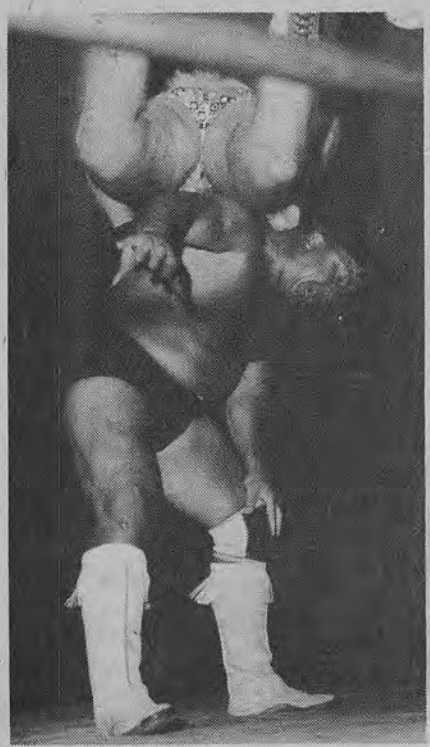
Now it's Flair's turn to have Paul Jones on the defensive as he gets ready to bring him down via a suplex.

Jones slams Flair to the mat.



In another of their slam-bang matches, Flair puts the collar around Jones although the hold appears to be a fair one.

Flair gets ready to apply the finishing touches on Tiger Conway, Jr.



Jones is not the only one who can give Rick Flair a rough ride as Wahoo McDaniels demonstrates here.

Flair has all intentions of proving that he is superior to Paul Jones and to all other wrestlers in fact. We sincerely hope he lives long enough to prove it.

Afraid of Baldness? You don't HAVE to lose your hair.

Everybody is always losing hair. You can see them on your comb and brush everyday. But new hairs are growing in at the same time. If you don't grow new hair as fast as they fall out, YOU ARE GETTING BALD.

Why not give your hair the best chance it can get by eliminating needless causes of falling hair and give nature a better chance to grow a healthy head of hair for you.

Many dermatologists, hair and scalp experts believe that seborrhea, a common scalp disorder, results in hair loss. Seborrhea is an infection of the scalp, caused by a bacteria that can produce severe and permanent damage to hair growing follicles in your scalp. Seborrheas symptoms are dry itchy scalp, dandruff, oily hair, head scales and progressive thinning and hair loss. Most men and somen report results after the first treatment, some take longer. But we give you this assurance. If for any reason you're not completely satisfied with the improvement in your own case — AT ANY TIME RETURN THE UNUSED PORTION FOR A PROMPT REFUND, NO QUESTIONS ASKED.

But don't delay. There is no excuse today for any man or woman to neglect seborrhea and pay the penalty of hair loss. Nothing not even Comate can grow hair from dead follicles. So, why not fill out the coupon now, and take the first step toward a good head of hair.

Male pattern baldness is the cause of the great majority of causes of baldness and excessive hair loss. In such cases neither the Comate treatment nor any other treatment is effective.

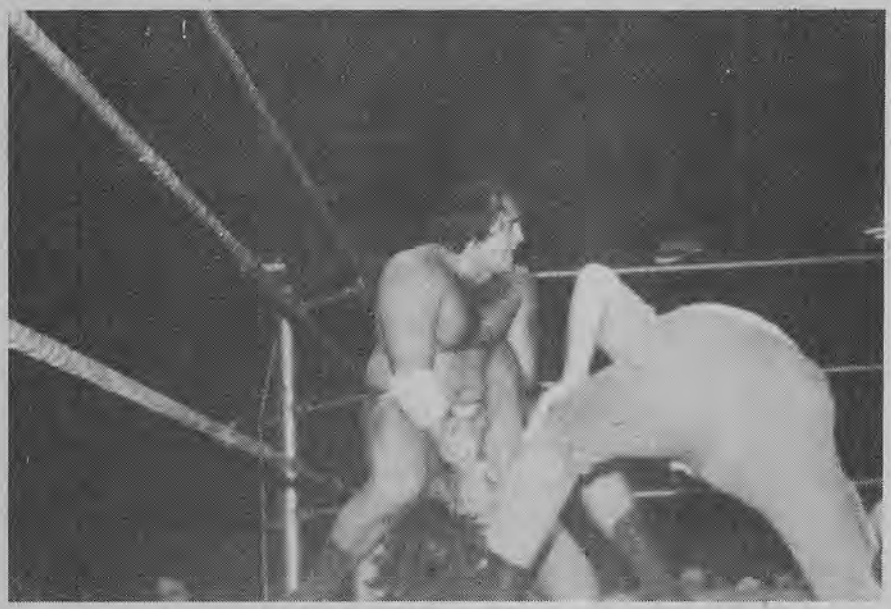
INTERNATIONAL WRESTLING SCENE

By TOM BURKE

It is only a few months away before wrestling fans across the North American continent will gather in Dallas, Texas to attend the 10th annual Wrestling Fans International Associations Convention. These annual confabs are held each year with fans from all over the United States and Canada attending the three day affair. If you would like more information about the three day affair then I suggest that you write to the convention chairlady, Diane Devine at PO 1902, Betchold Station St. Louis, Mo. 48091. Send Diane a stamped self addressed envelope and you will get all the latest information on the convention.



The one time popular Kevin Sullivan is now the most hated grappler in Florida. He recently turned on his old friend and former tag-team partner Mike Graham.

The National Wrestling Alliance held an elimination tournament in order to establish a new world junior heavyweight champion due to Danny Hodge having to retire the championship after a car accident. The tournament is finished and Irish Pat Barrett was the winner. The Irish grappler held the title for some six weeks when he met defeat at the hands of Ron Starr in New Orleans. Ron Starr was the champion for less than a week when he met defeat. The ever popular Nelson Royal won the title and is the current champion.

Fans in Dallas, — Ft Worth, Texas were in sheer delight when the man known as The Sheik was defeated in their area recently. Who defeated the Sheik? It was not just any wrestler it was the giant of wrestlers, Andre The Giant. The defeat is one of the few the Sheik has had in his long years as a professional wrestler. The Giant is also one to have an excellent record for victories, however, he met defeat a week after his encounter with the Sheik when he met Antonio Inoki in Tokyo, Japan.

A new promotional group has been started on the East Coast called Universal Wrestling Promotions. This office is headed by Roger Reed. Some of the wrestling stars that will be under the UWP banner are: Dr. Jerry Graham, Fidel Castillo, Killer Larks of Trinidad, Tito Torres, Mr. Haiti, The Gulla Bros, The Plowboy, Duke Taylor, Gorgeous George II and others. We understand that this organization will be promoting in Upstate New York, New Jersey, Pennsylvania, New England as well as in the Carribean and in South America. We'll keep an eye on this new office and let you know of any more news via this column.

Moondog Mayne is a top favorite to the fans in the Lone Star State since he dumped his managers. Speaking of Moondog did you know that a record has been made about him. Yes sir! The title of the record is The Ballad of Moon Dog Mayne by Ricky Ringside. It is available from Front Row Records, 218 Tulane Street, Galand, Texas. 75041. The cost of the record is only $2.00.

The Brute of San Francisco and Nova Scotia fame is really making things rock for the fans in the Oklahoma, Mississippi, Louisiana circuit. He is as wild and as crazy as ever and his wrestling style has really raised a lot of eye brows. The NWA watch committee is keeping a record on how many times the Brute gets himself disqualified.

Tommy Seigler has become a top favorite in the Sunshine State with all the fans. But a longtime favorite of the Sunshine mat fans has turned out to become one of the most unpopular wrestlers around. Kevin Sullivan the darling of the teeny bopper set has changed his ways and is one of the most hated men in the Florida

wrestling circuit. Many fans are very upset over the change, however, the fans that use to boo Sullivan when he was a crowd favorite have found a new "Villain" to cheer.

Dr. Hito Ota won the Americas Championship in Los Angeles when he defeated Chavo Guerrero recently. Guerrero is out for a rematch. Some of the other wrestlers looking for the championship are: Ken Mantell, Paul "Butcher" Vachon, The Hangman, Chris Colt, Roddy Piper and Raul Mata.

Back in the East Coast is the ever popular Polish Prince of Wrestling, Larry Zbyszko. Also back to the WWWF is Tony Garea. New to the land of the World Wide Wrestling Federation are Bob Backlund and Baron Von Raschke. The Baron is under contract to Lou Albano and he looks like he is going to be one of the toughest wrestlers ever to face Bruno Sammartino in a long time.

Butcher Vachon clamps a nerve hold on his opponent. The Butcher is making a name for himself in Los Angeles.

Andre the Giant is given pre-match inspection by the referee just prior to his match with Antonio Inoki. The Giant lost the bout to the Japanese superstar.

New wrestlers come and go but down in Birmingham there is a guy calling himself the Russian Stomper that is making a lot of noise. He is one tough wrestler and his winning streak in the area is very impressive with victories over: Butch Malone, Tommy Gilbert, Tojo Yamamoto, Dennis Condry and others. So watch out for this new Russian import.

The wildest team to ever hit the wrestling scene in Western Canada is the duo of the Cuban Assassins. "These two guys are just plain rough and wild. No one has ever been as crazy and unpredictable as these two gents. Have never seen any team like them." stated Calgary promoter Stu Hart. Since coming on the scene in Calgary in late 1976 these Assassins have been tearing things up and are the current International tag team champions.

Promoters Paul Jones and Jim Barnett really put on a super card at the Omni in Atlanta recently. The card was jammed pack with wrestling stars from around the world. The Thanksgiving event packed the Omni to see the following matches. The Anderson Bros went to a no contest against the team of Mr. Wrestling no. 1 and 2. The Sheik defeated the Mighty Igor when the Polish strongman was counted out of the ring. Ox Baker and The Stomper defeated Bill Watt and Bob Armstrong. Thunder-

Billy Robinson's nephew Jackie Robinson is making a name for himself in the wrestling scene in England. Unlike his world famous uncle the nephew is a rule bender.

Commentator and host of "Georgia and Florida Championship Wrestling" Gordon Solie presents Paul Jones with a plaque commemorating his 30 years as Atlanta promoter.

The latest import from Russia is the Grand Vladimir. He is a master of the iron claw as you can see him applying the dangerous hold on his opponent.

bolt Patterson lost to Dick Slater via dq. Jack Brisco defeated Killer Brooks and The Mighty Black Atlas defeated Bill Howard. The ever popular Ray Rougeau defeated Scott Irwin. El Gaucho Lost to Tony Parisi. The mat action in the Peach State is really tops and you can see that the fans in Georgia are really getting the peaches and cream of the wrestling world.

He is known as the Grand Vladimir and he is from Russia. He is currently wrestling in Canada and has just started his North American wrestling campaign. His reputation is known all over the wrestling circuits of Europe, Asia, Africa and the Middle East. The bald Russian is a true wrestler and his ability has won him many great honors in various wrestling tournaments around the world. He is a master of the "Iron Claw" and uses it with great perfection. The arrival of this Russian matman will be watched with great interest by this columnist and an account and feature story will be in a future issue of this magazine on this latest import from the Soviet state.

Wrestling fans in Hawaii are hoping that the sport will be back in the limelight in the middle part of 1977. The fans in the Pacific Isle state have been without wrestling for a little over a year now. We hope that the fans will

not be deprived of the wrestling sport much longer.

Billy Robinson has been one of the most impressive wrestling stars ever to come across the Atlantic from England. The fans in England are not without a Robinson though. Jackie Robinson is a nephew of the Manchester Lion and is really making an impression on the British Wrestling scene. The big difference in Jackie and uncle Billy is their style. While the elder Robinson wrestles right by the book the younger Robinson seems to cast the rule book aside.

Pat Patterson made his Madison Square Garden debut on January 15th, 1977 before a sellout crowd. The former US champion is really a great wrestler. He first started his career under the banner of the Tony Santos promotions in the early 1960's when he wrestled as Killer Pat Patterson. Since then Pat has become one of the all time greats of the wrestling world. He has held such titles as the US heavyweight, Pacific Northwest, Arizona State, co holder of the world tag title, Hawaii State Championship along with many other titles. He is a welcomed addition to the wrestling scene in the WWWF.

Did you know that... Ripper Collins is married to former girl wrestler Barbara Baker... Since the Sheik has been wrestling he has had a total of three managers and two valets. The managers have been: Ali Hassan, Abdullah Farouk and Eddie Creachman. His valets have been Princess Salima and Bamba the witch doctor... Bob Backlund is championship material claims the former NWA champion, Pat O'Connor... Killer Brooks wrestling between Atlanta and Detroit these days... Frank Tunney recently celebrated his 45th year as the promoter at Toronto's Maple Leaf Gardens... Sky Low Low plans to write a book about his wrestling career.

For the most complete news and dates in the wrestling world send twenty five cents plus a stamped self addressed envelope to Global Wrestling for their excellent monthly newsletter. The address is 31 Groveland St., Springfield, Ma. 01108.

I'll close for now and will bring you more news and information on the great sport of professional wrestling in my column next month.

Is it true the amazing secret of TELECULT POWER

AUTOMATICALLY BRINGS YOU ANYTHING YOU DESIRE...

And in 10 seconds starts to draw Riches, Love, Fine Possessions, Friends, Power, Secret Knowledge, and much more into your life? See for yourself!

Yes, a staggering miracle has happened: A brilliant psychic researcher has discovered a secret—so powerful that it is said to bring your desires to you, from the invisible world, like a blazing streak of lightning!

Yes, how would you like to be able to sit in your living room, give the command for love, and instantly have your loved one appear at your side? Or give the command for money, and suddenly find a big, thick roll of dollars in your hand?•

Now, a daring new book called TELECULT POWER lays bare this magic secret, and shows how it can bring fortune, love, and happiness. And Reese P. Dubin – the man who discovered it – makes this shocking claim . . .

"Great Wealth And Power Can Be Yours!"

Admittedly, the concept this book proposes is completely opposed and contrary to normal human knowledge and experience. "But at this very moment," says Mr. Dubin, "I have startling proof that I want you to see with your own eyes! I want to show you . . .

• "How diamonds and jewels have appeared, seemingly out of nothingness, shortly after the use of this strange secret!"
• "How a man used this method for a pocketful of money!"
• "How a woman used it to fill an empty purse!"
• "How a farmer received a pot full of gold!"
• "How another user Teleported a gold jewel box to her, seemingly out of thin air!"
• "How a woman used this method to regain her lost youth!"
• "How a man, growing bald, claims he renewed the growth of his hair with this secret!"
• "How a woman used it to bring her mate to her, without asking!"
• "How another woman summoned a man to her –out of thin air!"
• "How a man heard the unspoken thoughts of others, with this secret!"
• "How a woman saw behind walls and over great distances, with it!"
• "How a man broadcast silent commands that others had to obey!"

Let us now clearly demonstrate to you the scientific basis behind the new wonderworking, Miracle of TELECULT POWER!

"How Telecult Power Brings Any Desire Easily And Automatically!"

For many years, Reese P. Dubin dreamed of a way to call upon the invisible forces at work all around us. He spent a lifetime digging and searching for the secret. These investigations brought him knowledge that goes back to the dim recesses of the past.

One day, to his astonishment, he discovered that he could actually broadcast silent commands, which others instantly obeyed. Using the secret he tells you about in this book, he tried it time after time – commanding others to sleep, get up and come to him, talk or not talk – and act according to his silent wishes. It worked every time!

Working relentlessly from this evidence, Reese P. Dubin succeeded in perfecting a new kind of instrument – called a Tele-Photo Transmitter – that concentrates your thoughts, and sends them like a streaking bullet to their destination!

OTHERS OBEY SILENT COMMANDS! Writing of the success of this method, one user reports the following experience:

"I willed her to pick up and eat a biscuit from a plate in a corner of the room. She did so. I willed her to shake hands with her mother. She rushed to her mother and stroked her hands . . .

"I willed her to nod. She stood still and bent her head, I willed her to clap her hands, play a note on the piano, write her name, all of which she did."

"No one can escape the power of this method," says Mr. Dubin. "Everybody – high or low, ignorant or wise – all are subject to its spell! And unless the person is told what's being done, he will think the thoughts are his own!"

HEARS THE THOUGHTS OF OTHERS! Experimenting further with the Tele-Photo Transmitter, Reese P. Dubin soon found that he could "tune in" and HEAR the unspoken thoughts of others. He says, "At first, these hearing impressions startled me, and I took them for actual speech, until I realized that people don't usually say such things aloud! And their lips remained closed."

SEES BEYOND WALLS, AND OVER GREAT DISTANCES! Then he discovered he could pick up actual sights, from behind walls and over great distances! And when he "tuned in" he could see actual living scenes before him—as clear as the picture on a television screen!

MAKES WOMAN APPEAR – SEEMINGLY OUT OF THIN AIR! With mounting excitement, Reese P. Dubin launched one of the most exciting experiments in the history of psychic research. He wanted to see if the Tele-Photo Transmitter could bring him an actual material object! He chose, for this experiment, the seemingly impossible: an actual living person!

He simply focused the Tele-Photo Transmitter, by dialing the object of his desire. In a flash the door burst open, and there – standing before him, as real as life – was his long-lost cousin!

He stared and rubbed his eyes, and looked again! There – smiling, with arms outstretched in greeting– stood living proof of the most astounding discovery of the Century!

Dial Any Treasure!

You'll see how to use the Tele-Photo Transmitter, to summon your desires. This special instrument – your mental equipment – requires no wires, and no electricity. "Yet," says Mr. Dubin, "it can teleport desires, swiftly from the invisible world."

When you dial your desire–whether for riches, love, or secret knowledge–you capture its invisible, photoplasmic form, at which point "it starts to materialize!" says Dr. Dubin.

"Telecult Power can work seeming miracles in your life," says Mr. Dubin. "With it, it is possible to dial any desire – called a Photo-Form – then sit back, relax, and watch this powerful secret go to work!"

"Instantly Your Life Is Changed!"

With this secret, the mightiest force in the Universe is at your command! "Simply ask for anything you want," says Mr. Dubin, "whether it be riches, love, fine possessions, power, friends, or secret knowledge!"

Suppose you had dialed Photo-Form #2 for Jewels, for example. That's what Margaret C. did, in an actual example Mr. Dubin tells you about. Rich, glittering diamonds and jewels literally appeared at her feet: a pair of gold earrings, which she found that morning . . . a surprise gift of a pearl necklace, and matching silver bracelets . . . a beautiful platinum ring set with emeralds and diamonds, dropped on her front lawn!

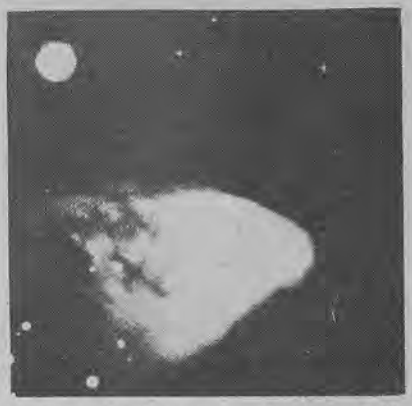
"Almost overnight," says Mr. Dubin, "it can start to multiply riches, bring romance and love . . . draw favors, gifts, new friends . . . or anything else asked for! It isn't necessary for you to understand why. What is important is that it has already worked for many others . . . men and women in all walks of life . . . worked every time . . . and it will work for you, too!"

Brings A Pocket Full Of Money!

You'll see how Jerry D. used this method. He was broke a week before payday. All he did, he says, was to dial Photo-Form #1. Suddenly he felt a bulge in his pocket. Lo and behold! He took out a roll of money . . . fives, tens, twenties . . . and more! Obviously, it had been placed there—but when? And by whom?

A Brand New Car Comes!

Marty C., a taxi driver, reports that he just dialed Photo-Form #4, sat back, relaxed, and waited for things to happen. In a short time, great excitement filled the house. His wife came hurrying in, saying, "We won it! We won a car and a cash prize! They just delivered it!" He got up and went to the window. There, big and beautiful,



standing in the driveway, was a brand new Cadillac!

Brings Mate Without Asking!

Mrs. Conrad B. reports that she was tired of "pursuing" her husband, as she called it. She wanted him to voluntarily do the things she longed for, take her places, show affection. But he hadn't looked at her in years. He would fall asleep immediately after supper, or watched the ball games, or read the papers. Secretly Mrs. B. decided to try this method. She dialed Photo-Form #9 for Love! Instantly, her husband's attitude changed from boredom to interest and enthusiasm. And from that day forward, he showered her with kindness and affection! It was like a miracle come true!

The Power Of This Method!

There are so many personal experiences which I could recount, stories of healing, wealth, and happiness with this secret, that I find myself wanting to tell all of them at once. Here are just a few . . .

• **REGAINS HAIR GROWTH!** Walter C. had a shiny bald head with just a fringe of white hair showing around the edges. He tried this method, and soon his hair began to regrow. The new hair came in thick, dark, and luxurious!

• **ROLLS DICE 50 TIMES WITHOUT MISSING ONCE!** You'll see how this secret gave Albert J. the power to roll the dice 50 times, without missing once, and–for the first time in the history of Las Vegas–walk away with $500,000!

• **DISSOLVES ALL EVIL!** You'll see how this amazing secret revealed to Lawrence M. the people who were trying to make him look silly at work–actually revealed their secret thoughts–made them confess and apologize!

If TELECULT POWER can do all this for others, what riches, what rewards, what amazing results can it also bring to you?

VINCENT LOPEZ WON FIRST BATTLE ROYAL EVER STAGED

by Jess Hernandez

Mr. Lopez poses with other members of the Cauliflower Alley Club, notably the late Jim Londos (second from right) and Mike Mazurki (far right).

What do former mat greats like Count Billy Varga, Mike Mazurki and Barone Michele Leone have in common? They are charter members of the prestigious Cauliflower Alley Club of Hollywood, the most colorful and rambunctious mat organization in existence. Don't get me wrong, the Cauliflower Alley Club isn't a boarding house for ex-mat heroes who cavorted in the turbulent 30s and 40s. But the famous club is responsible for perpetuating the glory and prestige of many illustrious gladiators who popularized the grappling game. Just name any big time mat hero of the past twenty or thirty years and chances are he or she has been acclaimed and laureled. World champions like the redoubtable and fantastic Mildred Burke the pride of Kansas who reigned as queen of the females in the 30s and 40s.

Latest mat hero to win acclamation as a formidable and impregnable all-time titan was Vincent Lopez the Mexican idol who was world's champion in the 30s. Lopez hailed from New Mexico and made his auspicious debut at the Olympic Auditorium under impresario Lou Daro. The Mexican gladiator made the elbow smash his most potent weapon in defeating the likes of Mike Mazurki, Joe Savoldi, Jules Strongbow and Howard "Hangman" Cantonwine. In 1935, Lou Daro staged his heralded "world's international tournament" at the Olympic, which in reality was the unfolding of the now famous battle royal.

Many of the most popular foreign gladiators like George Galza of Italy, Kimon Kudo of Japan and Jimmy Londos of Greece were favorites to annex the tournament championship. But after all the herculean torsos had been dismantled in the all night tourney, only Lopez and "Hangman" Cantonwine had survived the orgy. In the battle for the world's crown, Lopez defeated his adversary to claim the global throne.

Senor Lopez dazzled the Olympic Auditorium throng with his colorful Mexican charro attire and handsome looks. Under the management of Strangler Lewis, Lopez became a popular matman and in 1936 was finally matched with Dave Levin for the world's title. Levin pinned Lopez in two out of three falls, but Levin lost his diadem to Utah's Dean Detton in 1937. Lopez and Detton clashed at the Olumpic and the Mexican adonis suffered a leg injury and was unable to continue the match. Lopez's popularity with the fans on the West Coast reached unprecedented heights until World War II.

While elbow smashing his way to victory after victory, Senor Lopez put his good looks and Grecian physique to good use, he made several motion pictures in the U.S. and Mexico. It was during this fling with Hollywood that Lopez became acquainted with sultry movie queen the voluptuous Mae West. Mae knew a good thing when she saw it and engaged Senor Lopez to become her body guard. In the 40s, Lopez turned his attention away from the grunt and groan profession and retired to his native New Mexico.

Vincent Lopez was undoubtedly the patriarch of great Latin-American matmen who belongs in the International Wrestling Hall of Fame. He helped to pioneer the advanced vanguard of numerous Latin mat stars who during the past thirty years also featured El Pulpo (The Octopus) Enrique Torres, Mil Mascaras, Pedro Morales, Bruno Sammartino, Primo Carnera, **Antonino Rocca, Bobo Brazil,** Pepper Gomez, Alberto Madril, Raul Mata, Barone Michele Leone and popular female star Laura Del Rio. Viva Senor Vincent Lopez, the "idol of the Mexican-American fans" in the fabulous 30s and 40s!

MURACO MANGLES VON BRAUNER

Special report from Larry Barnhizer

Karl smashes Muraco's head into the turnbuckle.

Brauner has Muraco hanging over the ropes and will proceed to kick him in the back.

Promoter Johnny Miller (we can finally show you what he looks like in one of the accompanying photos) has done it again. Modesto is fast becoming one of the great wrestling attractions in California and if Miller continues to promote the kind of shows he's been putting on, he will no doubt become the best in the business.

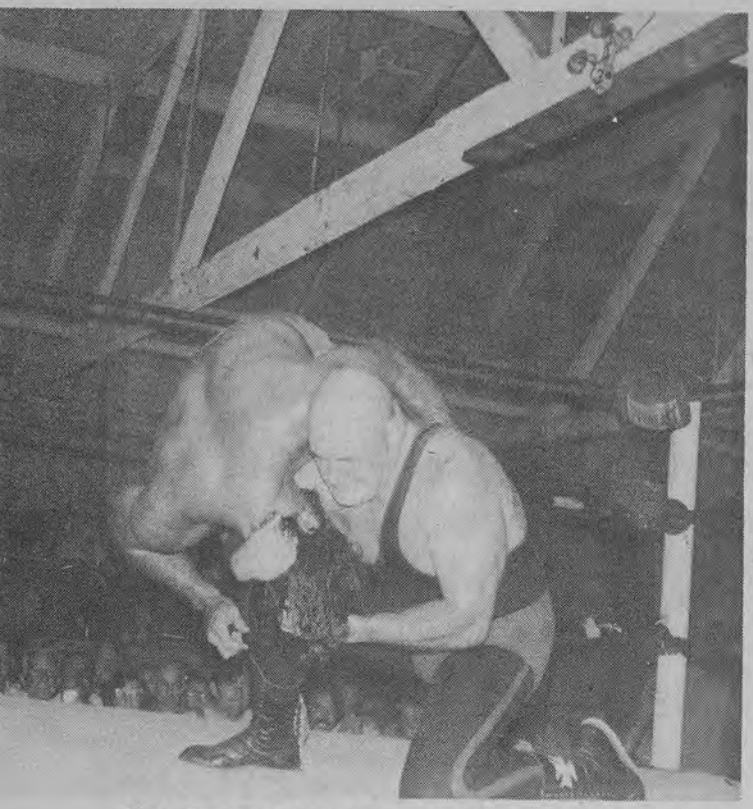
When you can get top names such as Pat Patterson, Pedro Morales, Karl Von Brauner, Don Muraco, Mr. Fugi and Mr. Saito among others on the same card, you're really going places. One of the best matches of the evening was the one pitting the one and only Don Muraco against top German villain Karl Von Brauner.

It was apparent from the opening bell that both men were out to cripple each other. Wasting no time in introduction or opening scientific holds, both grapplers insisted on starting to kick and punch as if they had been in some back alley.

The bigger Von Brauner had the best of the earlier exchanges as the accompanying shots can ascertain but powerful Don Muraco never says die and near the end of the bout it was apparent that Von Brauner's strength was going the way of all wasted things, down the drain. Using elbow drops and knee lifts, the durable Muraco began to inflict unusual punishment to the enemy.

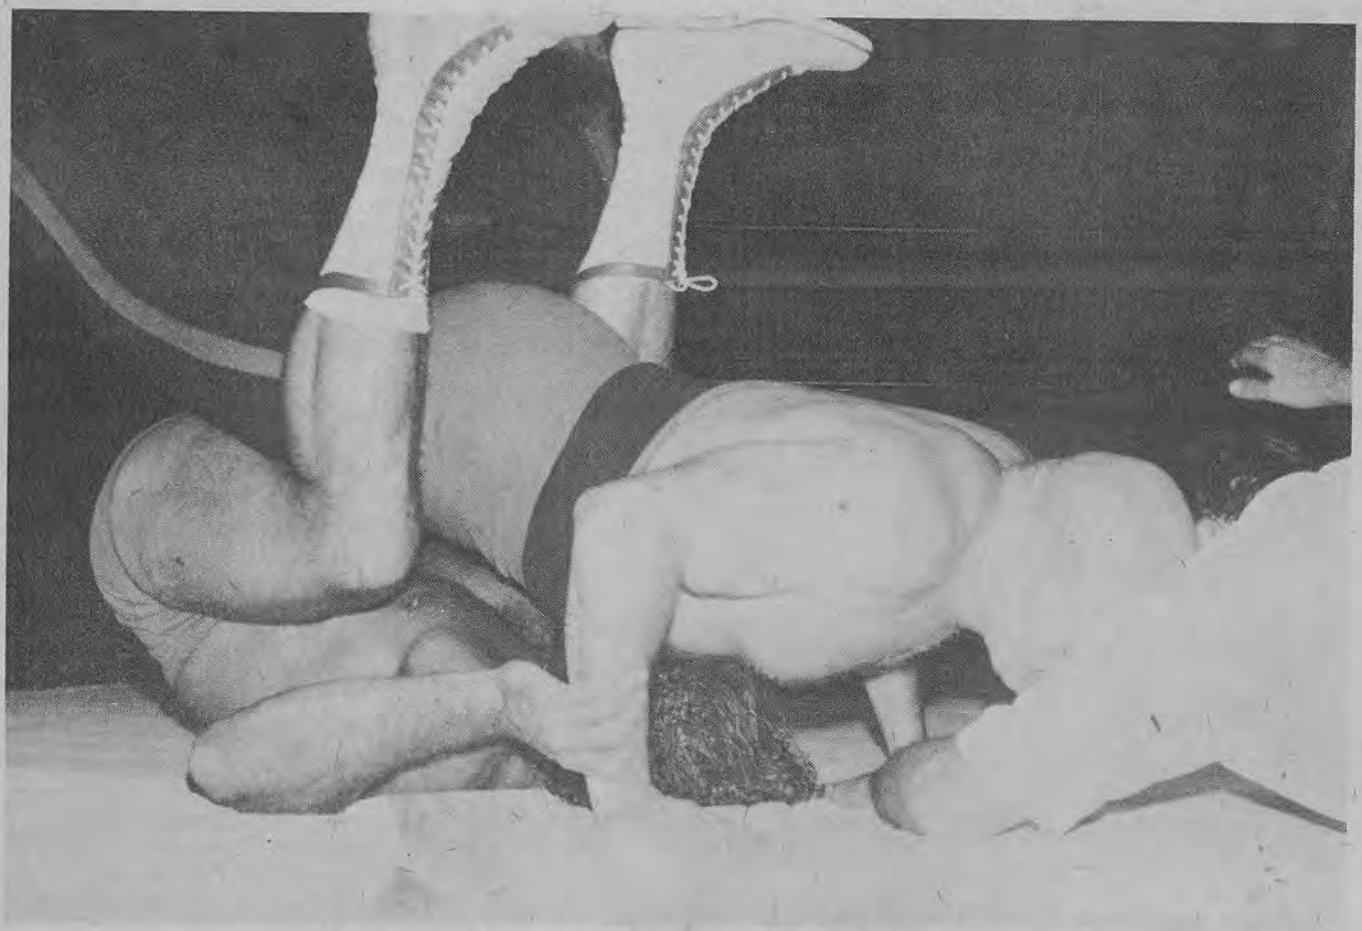
In a matter of minutes, Von Brauner had nothing left and Muraco was able to finish him off with his favorite hold, the abdominal stretch.

Once again we congratulate promoter Johnny Miller for another of his outstanding wrestling cards. Keep it up Johnny!



Von Brauner flips Muraco to the mat to inflict more punishment.

In a momentary series of retaliating moves, Muraco takes down Von Brauner by grabbing his legs.



Karl attempts to pin Don with his legs draped over the bottom rope.

Muraco gets slugged in the corner of the ring.

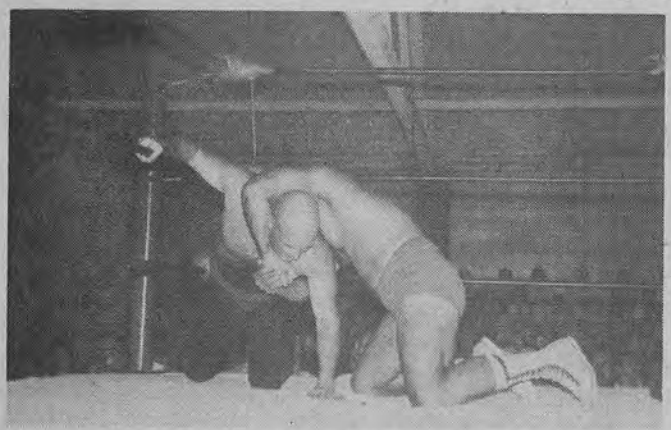
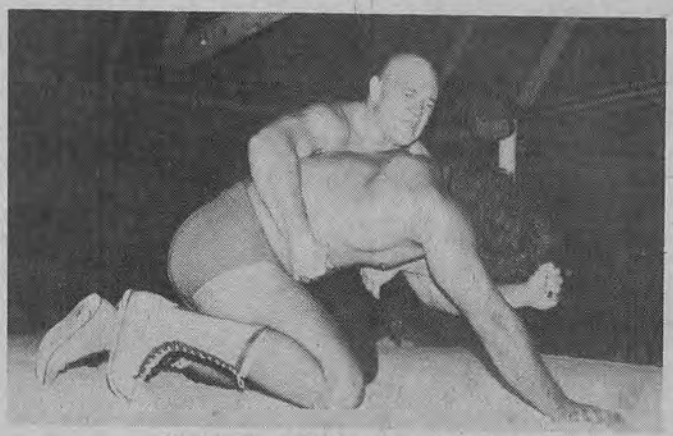
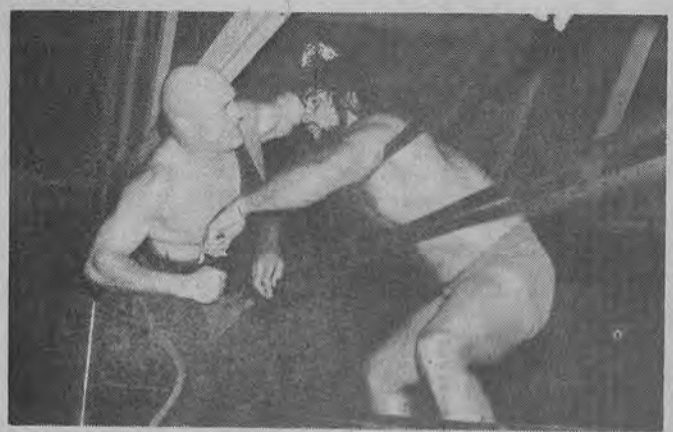
Muraco is choking from an illegal front headlock applied by the Teuton.



Now it's Muraco's turn to give Brauner back some of his own medicine.

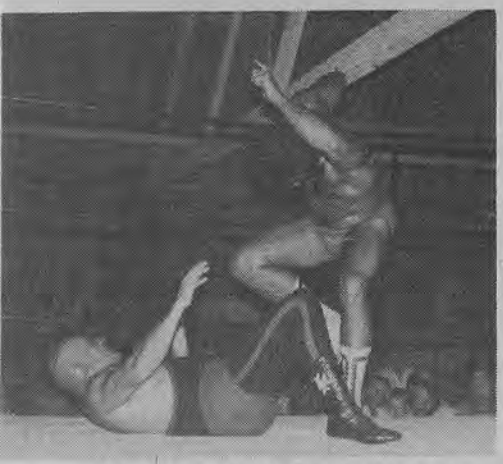


Karl once again has the advantage.

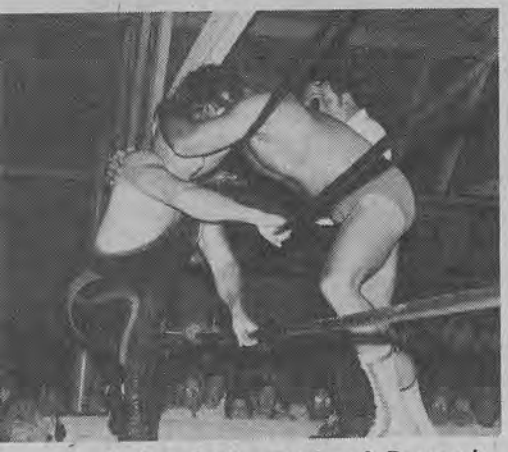


With a handful of Muraco's hair in his fist, Von Brauner is getting ready to let him have it.

Muraco finally gets loose and applies a leg lock on the German wrestler.



Revenge is sweet for the handsome Muraco as he kicks away at Von Brauner's leg.



Having had enough of Brauner's teatment, Muraco decides to even things out by biting Karl's forehead.

A look of pride and happiness comes over the face of promoter Johnny Miller following another fine evening of wrestling.

He could be an actor; he has appeared on "The Six Million Dollar Man" and Hollywood producers want him back. He could be a star in the National Football League; George Allen, coach of the Washington Redskins wants him on his team. He could be a great boxer; with his power and agility in the ring, he would give Muhammad Ali a tough time. He proved this by taking care of Chuck Wepner in their recent wrestler-boxer match. Moreover and most important, he could be the Heavyweight Wrestling Champion of the World, but for now this too does not interest him.

He, is better known as Andre The Giant. Having just completed his tenth year as a professional wrestler, Andre has achieved tremendous success in the sport. He is one of, if not the most popular star in wrestling today. His feats of strength and his graceful movements have amazed both fans and fellow grapplers alike. Because of this, Andre is in constant demand all over the world. Promoters everywhere want him to appear in their wrestling shows. Further more, because he is so highly sought after, Andre earns more money in a year than any other wrestler, with the possible exception of WWWF Champ Bruno Sammartino. Yet, with all his popularity and success, Andre The Giant is not seeking a title shot against any of the champions. Being champ just does not hold any real interest for him right now. Moreover, it is the very same reasons he is so successful at what he does, that keep him from becoming champion; truly Andre The Giant is the man who doesn't want to be champion.

In discussing this unique circumstance with Andre's Manager Frank Valois, I was able to find out some of the reasons behind Andre's lack of enthusiasm about the title. "Andre is in so much demand all over the world that it would be impossible to figure out all the miles he travels in a year" states Valois. "Right now, we just don't want a title match because of this fact. However, Andre feels, and I agree that he is one of the best wrestlers around today. He's never been pinned or submitted to any opponent. If he were to wrestle a man like Bruno Sammartino, he would do his best to beat him. For now though, we're just not after a title shot, because if Andre should win the title, he would have to stay in one specific area and defend his championship. Andre values his freedom, he loves to travel, and for now these things mean more to him than becoming a world champion. However, some day Andre will settle down, and concentrate on winning the title, but not right now."

Still, I wondered how Andre could really feel this way. After all, pro wrestling is a highly competitive business and with every other man beating his brains out to earn a shot at the champion, how could Andre pass up the prestige of wearing that belt? I found out from Andre himself that he really does value his freedom, and most importantly the pleasures he derrives from his traveling all over the world. These pleasures are in the form of all the fans that he sees as he appears on cards all over the world. It is the opportunity to meet people and knowing that they are out there cheering for him that gives Andre more satisfaction right now; more than even the world title could bring.

Indeed, Andre's fans are very important to him, In fact, they are the reason for Andre being one of the cleanest wrestlers in the sport. He feels that by breaking the rules he would be letting his supporters down. Andre knows people respect him; this respect is something he will not compromise in the ring for anything.

The Executioner No. 1 tries in vain to bring down the too powerful Giant.

The big man believes too, that he must set an example for the many youngsters who adore him. He must show them, that choking, biting, kicking and other assorted infractions of the rule book are not necessary for him or anyone to win a bout. Of course, one could argue that at 7-4 and 420 pounds, you too would not need to cheat to win your matches. However, Andre often will wrestle two or maybe three men at one time and no matter how big or strong a man is, he cannot avoid getting his share of lumps. It would be very easy for Andre to start fighting fire with fire, and sometimes he is left with no choice, but Andre does not enjoy doing this at all. He does not want to win matches this way as he wants very much to show everyone his wrestling skills.

Because he appears in a different city every day, Andre is always facing stiff competition. If he is not wrestling in a handicap bout, then he is matched against the local tough guy. The outstanding record of "The Eighth Wonder of the World," as he is called, is known far and wide. This makes it that much harder for Andre to get a win and here is where Andre The Giant gives his fans credit for his tremendous success. The overwhelming support the crowd gives him is what Andre says, gives him that little extra he needs to win. Andre tries to never disappoint his admirers and on those rare occasions when this might happen, Andre feels worse for his fans than he does for himself. Andre is a very sensitive man and he takes it personally when he can't please his admirers.

Without a doubt, the relationship that Andre The Giant and his fans have is something special. Moreover, it's this relationship that makes Andre the man who doesn't want to be champion. He knows if he should win one of the world titles, whether it be the NWA, the AWA, or the WWWF belt it would mean giving up his opportunity to wrestle all over the world. He would be forced to stay in the area that recognizes that title. Most important to Andre, it would prevent him from seeing all his fans. When Andre and his manager speak of freedom, they mean the great feeling Andre gets when he sees all those smiling, happy fans after he wins a match. He would not be able

to see those faces in Boston one night, San Francisco the next, and Paris a day later. This is a very demanding schedule for a man, but Andre would not have it any other way. It is an exciting life, he has the gift to make people happy and he cannot sacrifice doing just this. If it means foregoing a world championship for the present, then so be it.

The title is just a material posession to Andre and even without it he has come a long way in a space of a few years. From a young man who would watch pro wrestling on television and read about it in the magazines, Andre went to the matches in his hometown, Grenoble, France. "He used to come and watch us wrestle" explains Frank Valois. "Andre wanted very badly to become a wrestler and with his tremendous size I invited him to come to Paris to train in the gym. There, he displayed to me and the trainers that he could be a great star with the proper instruction."

Now, unquestionably, Andre The Giant is the leading contender in the business. He owns victories over some of the biggest names around. Andre considers his wins over Don Leo Jonathan, Killer Kowalski, Dick The Bruiser and "Superstar" Graham his biggest accomplishments to date. To say that he is wrestling's "uncrowned" champion is a fact. Andre is not a boastful man and he will not make this claim. However, in his heart he feels he is the best at what he does. It will be only a matter of time before he is considered one of the all time greats. In fact, many promoters and other executives of the sport feel this way right now; it's no secret that the fans already believe it today.

It would be impossible for him to be more popular with the fans than he is right now. It would be impossible for them to love him more or cheer harder for him. It would be impossible for him to be in greater demand by promoters, than he is right now. Andre states that he is not yet ready to settle down and why should he? He has everything a professional wrestler could want. The possible exception to this takes a back seat to a desire to bring and receive joy all over the world, thus Andre The Giant can proudly wear one title: the man who doesn't want to be champion!

CHERYL DAY DEMONSTRATES ART OF SELF DEFENSE

In the opening shot, we see Cheryl reading a magazine. Remember that this could be you sitting on a park bench, quietly reading and minding your own business.

Of all the prospects ex-champion Mildred Burke has under her wing in her California gym, young and beautiful Cheryl Day is surely the lady wrestler with the most interesting future ahead of her.

Ever since she came to California from her native Alabama, Ms Day has startled all the experts and a recent trip to Japan confirmed all expectations that they had. Fully experienced in the arts of self-defense, Ms Day wrestles scientifically but will not hesitate to use rough tactics if her opponent dares to become unruly.

Ms Day recently took time out from her heavy schedule to help us demonstrate how a woman can protect herself from an attacker, something that could happen in any situation. WRESTLING REVUE'S photographer was on hand to record the action and we proudly present it to you now. Without further ado, let's follow Ms Day as she proceeds to eliminate the less than cordial gentleman who is attacking her.

Suddenly, without warning, a man creeps up behind her intent on harming Cheryl.

The attacker wraps his hands around Cheryl's pretty neck as she realises what is happening. what would you do in a similar situation? Although the first reaction is usually one of panick, you, like Cheryl, should immediately resist while screaming as loud as you can: this will startle the attacker and allow you a few seconds to make your move.

Cheryl grabs her attacker's arm and, by moving her hips backwards and pulling at the same time with her arms and upper body, she slips him to the ground.

Although it would be advisable for you to run away at this time, since Cheryl is a pro wrestler, she decides to teach the man a lesson.

Although the man has gotten up, Cheryl is now on the attack and she lifts her knee into the chest of the stunned attacker.

Hanover®

Shoes or Boots...

YOURS FREE!

I've given away thousands of shoes and boots to men who had the courage to face the fact that the only way to beat high prices is with more money. I've shown these men how they can earn up to $200 extra each month by showing friends and neighbors how to save $15 or more on high quality shoes. For proof, look at the comparison story on the right.

Jumping on the Hanover bandwagon is the simplest thing you can imagine—and it doesn't cost you a cent. Just mail the card at the right. It doesn't even need a stamp. I'll send you a complete selling kit including the full color Hanover catalog of more than 200 shoe styles and put you in business for yourself right now.

You'll find the Hanover catalog will let you offer your friends dress shoes and boots, casual shoes, slip-ons, work shoes, fleece lined boots for working outside or hunting. You don't "sell." You hand the catalog to a friend or co-worker, let him see the spectacular buys Hanover offers, and let the high quality of Hanover sell for you. I am not suggesting that you quit your regular job. Not at all. Right now I'm talking about a spare time business that will bring you extra income. But let me also tell you that the Hanover door is open to even more opportunities and more money. I'll show you how you can put yourself into the executive class at an executive's income. And I'll show you plenty of men who have followed this path with Hanover and are making more money than they ever made in their lives.

FREE SHOES

Free shoes? Sure. Send in the card and let me send you the selling kit. Take orders for just ten pairs of shoes in the first 30 days and you can have any shoe in the catalog selling up to $29.95 free. Of course you'll also get $40 or $50 in cash in commission, too. And keep your eye on the BIG payoff —the fact that this can be the start of your own business and a new life for you.

2. Linings—Identical
3. Outsoles—Identical
4. Innersoles—Identical but only the Hanover has a cushion between the outsole and the innersole.

After putting on a leg scissors, Cheryl proceeds to apply more pressure by extending her attacker's arm. She bends her body backwards to press strongly with her powerful thighs.

She now goes into a back headlock, further blocking off the flow of air to the man's lungs, weakening him even more.

Close to exhaustion now, it is easy for Cheryl to turn him around and apply a camel clutch, the Sheik's favorite submission hold.

Cheryl is now dominating her attacker completely and proceeds to slap him across the face several times.

Cheryl has thoroughly beaten and humiliated her foe and stands over the unconscious hulk with her arms raised in victory. Of course this demonstration was just that, a demonstration; but perhaps these few self-defense hints will help all our readers if they ever find themselves in a similar situation. But remember, this: your first act should be to flee and not try to fight it out as Cheryl has done. This takes years of training and experience and should not be attempted by amateurs.

The smiling black athlete has a great future ahead of him.

At 6' and 245 pounds this rising young black wrestler has been making promoters across the country stand up and take notice He is young yet at 26 with only three years of mat wars under his belt but his name keeps coming up in conversations about newcomers in this great sport.

Bobo Brazil who has recently teamed with S.D. Jones in the WWWF has high praises for this young man, "S.D. can only climb the ladder of stardom. I've seen this wrestler in action. I've been his tag team partner. I know what he can do. He has fine moves. He knows his knowledge of holds and counter holds. Sure he makes mistakes but don't we all? The only way he will learn is by getting into the ring against all comers. I'm very rarely wrong in my judgement. Just keep your eyes peeled for this wrestler. He is going places."

Doug "Gashouse" Gilbert reels from a Jones left hook.

S.D. gets a jolt from Bruiser Frank Brody in this action.

Another excellent black wrestling star is Thunderbolt Patterson and he says of S.D., "When I was last in Florida S.D. never refused to meet the roughest wrestler. He seems undaunted about reputations. He makes his opponents know they have been in one heck of a match."

Jose Gonzales who has teamed with S.D. Jones and has been his opponent remarks, "The only thing Jones needs is experience. He has all the tools to succeed. He has plenty of guts to be sure. I remember a few weeks ago Jones wasn't feeling well from an injury. He arrived at the arena anyway. Sometime later one of the wrestlers failed to catch his plane and couldn't make the matches. S.D. talked the promoter into letting

Jack Evans gets a taste of a Jones front headlock.

him wrestle. Well Jones went out there and beat his opponent without much trouble. Jones never let on that his right shoulder wasn't fully recovered. A wrestler like that I would have in my corner anytime."

Special Delivery Jones? S.D. laughs on how he came about that sometime ring name, "I had just arrived in the WWWF just slightly over three years ago. I had trained hard for many months to be a wrestler. I was just a green rookie then. I had had about six matches. One night before I was to wrestle Gorilla Monsoon asked me what I had done for a living before entertaining becoming a wrestler. I told him I worked in the Post Office in the Special Delivery department. Well he tapped me on the shoulder and smiled. He said from now on I was Special Delivery Jones. It had a nice ring to it, so I kept it."

From the very beginning S.D. Jones soon found that delivering letters was much safer than taking on big muscled wrestlers. Many of whom would rather break bones than use legal holds. S.D. soon found himself facing the likes of Killer Kowalski, Nikolai Volkoff, Cowboy Bob Duncum and Larry Hennig. Not an easy way to make a buck to be sure.

Back in those early days of S.D. Jones beginning his new found career in wrestling this reporter had an occasion to speak with this young wrestler. Why had he decided on wrestling as a career? S.D. answered, "I always loved wrestling. I would watch the matches on TV when just a kid. I even went to the matches

S.D. fights fire with fire by kicking Java Ruuk in the stomach.

every chance I had. I decided in my early teens that being a professional wrestler was my aim in life. I went to the gym to build up my body. I trained hard to put on weight being a skinny kid. I dreamed of the day when I would make my first walk down that isle for my first match and hear my name being mentioned. I'll never forget that first time."

S.D. Jones paid for his inexperience by losing more than he won in those first months. Many times he would walk slowly back to the dressing room his body aching from the punishment dealt out by matmen who prided themselves on how tough they were.

S.D. remembers one villain who collared him before a match. S.D. says, "He laughed at me. Called me a nobody who'll never make it. Told me I was lucky they allowed me in the same ring with him. I looked him straight in the eye and told him someday I would make him take those words back by beating him in that very same ring. He just laughed at me. Well I have yet to wrestle him again. But when I do he'll laugh on the other side of his ugly face."

S.D. Jones prefers to bide by the rules than roughouse it. Not that he can't mix it up when he has to. His equalizer as he calls it is his Special Delivery Coco Butt. When Jones connects his head with his opponent the lights go out. S.D. would rather not use this maneuver unless the tactics of his opponents demand it. "I know what my Coco Butt can do. I never try to use the full force of this maneuver. It can injure someone. I would hate that to happen. It has brought me many victories by using it in the normal force. I don't want this maneuver to overshadow my other qualities."

S.D. Jones is quite adept at the Dropkick. His Dropkick can bring down the biggest of wrestlers. His speed at Dropkicking has made some staunch mat villains take notice. S.D. smiles at this.

"I was only wrestling about a month when I was matched with this 300 pounder who himself had been wrestling about a year. Well I knew he had too much weight for me so I used my speed to advantage against him. My Coco Butt hurt him and then I Dropkicked him right in the face. This flattened him and I pinned him. Later about one week again I was matched against him. This time he tried to stay away from me. Still my holds wore him down. My Coco Butt softened him up and three Dropkicks set him up for the pin. You know a perfectly delivered Dropkick can be the most devastating maneuver in wrestling. Just look what it did for Antonino Rocca."

One of the meanest wrestlers S.D. Jones has ever faced in his mat career is Killer Kowalski. It was Kowalski who gave Jones his very first injury in the ring. "I remember Kowalski when I was just a teen. I knew what this man could do.

Now here I was wrestling him. No make that trying to survive against him. Man he gave me such a beating I ached for days. I've never forgotten that match. I admit I was very nervous before the match. I was more nervous during the match. This man's reputation awed me. That was my mistake. I learned to never make that mistake again."

After a year of campaigning in the WWWF S.D. found his way to Los Angeles. There S.D. Jones made his presence felt. His Dropkicks, Coco Butts and his southpaw wrestling style gave the fans something to cheer about. They cheered him when he teamed with Porkchop Cash, Manuel Soto and Raul Mata against the likes of Ernie Ladd, Gordman and Goliath, Infernos No. 1 - 2 and 3, Java Ruuk and Jerry Brown and Buddy Roberts.

Although S.D. Jones failed to gather in the Americas Championship or the Americas Tag Team Championship it wasn't for lack of trying. Still he made the fans glad he had wrestled before them. S.D. still hopes to get back there to wrestle again.

"My only regret was I never won a title there. I tried like the dickens believe me. But it was great being there. I learned plenty from all the different styles."

Now S.D. Jones is back in the WWWF and his experience has paid off. No longer do wrestlers smile at this young grappler with disdain. They know that Jones can turn the tables on them very easily. S.D. has proven this against Bruiser Brody, Baron Scicluna, Stan Stasiak, Ken Patera, Tor Kamata, Baron Fritz, Von Raschke and Nikolai Volkoff. They all found that Jones is no easy mark.

"Against Ken Patera I nearly defeated him despite his great so-called superstrength. I admit this man is S-T-R-O-N-G. But he can be hurt and beaten. I had him worried until I made one mistake. I missed a Bodyblock. He sidestepped me and rammed my face into the turnbuckle. Man did I see stars. Luckily he pinned me rather than catch me in his Swinging Neckbreaker which has disabled three wrestlers so far."

S.D. Jones has come a long way. There is still a long way to go. His rising star keeps getting bigger. No longer is he dismissed with indifference. Now his opponents take note o him with interest. Jones is far from becoming a superstar in wrestling but considering his quick rise can that superstardom be far off? Don't bet against it.

S.D. is in trouble with Java Ruuk who has a hold on his left arm.

SOLUTION ON PAGE 64

HOW TO COMMAND POTENCY

at will . . . with a series of simple mental and physical exercises, that take only minutes a day, BUT THAT MAKE YOU "ALL MAN" TO YOUR WOMAN ANYTIME YOU CHOOSE TO DELIGHT HER!

As easily and automatically as this . . .

Let us repeat this simple promise: A Method for Commanding FULL EROTIC POTENCY has now been discovered! And you may now learn it, in the privacy of your own home, without risking a penny!

How is this done? In these two scientifically-proven ways:

First, by gaining at last **masterful control over the "switch" that connects your brain to your sex organs!** So that you tap, at will, your buried love power! Replace sexual insecurity with total self-confidence! Gain instant arousal . . . become every inch the lover Nature meant you to be . . . **actually find yourself performing better in bed than you can possibly remember from the very best era of your youth!**

And — equally as important —

By deliberately strengthening those "forgotten muscles" that are used only in the act of love, and therefore grow almost useless in the average man after he leaves his twenties! And taking those hidden "support" muscles, and building in a few minutes every day such rock-hard strength into them that you will achieve at last complete mastery of your own virility . . . **shown most dramatically in your new-found ability to maintain "staying power" for "unbelievably" long periods of time!**

Does it really work? Can such a sexual transformation be achieved in such a short time? Read the DOCUMENTED CASE HISTORIES in this book, and see every shadow of a doubt vanish from your mind!

For example:

Read why 60 and 70-year-olds, who had given themselves up as far as the bedroom was ever concerned again, **have suddenly found themselves MORE sexually-active . . . MORE sexually-alive . . . MORE sexually-competent than they were at their 30 or 40-year-old peak!**

Read how one young man went through his first twenty-some years thinking continually that he was "born to be" a "sexual cripple". And then read how — only a few short months later — one of his girl friends said in a research-interview: **"Once a woman has been with a man like Eric, all other men seem second-rate"!**

Read of the 70-plus year-old man who now keeps **several** girl friends busy . . . **including one 23-year-old beauty who is perfectly willing to admit to anyone that THIS man is (to use her own words) "terrific" in bed!**

And then go on to duplicate these men's transformations with your own! And build a massive virility into your own body with ingenious "training devices" like these . . .

The first step: The simple **"Potency-Restoring Ritual"** that costs nothing . . . is completely private . . . gives extreme pleasure while you use it . . . and may have your woman gasping in surprise that very same evening!

What to do about "sexual hang-ups"! How to "De-Block" your Turn-On Channels" — **in minutes!**

How to take your "Ecstasy Nerves" out of deep-freeze! In other words, FEEL two, three and four times as much pure sensation from every minute of love . . . **at exactly the same time that you have rigid control over every reflex in your body, so you can CONTINUE that sensation as long as YOU wish to continue it!**

The safest, and easiest, way to **prevent** prostate trouble.

How to keep the **Youth Juices** flowing in your body! In other words, use those simple exercises, not only to make you a master in bed, but **also to "Re-Landscape" your face and body so you may have to reject more offers than you accept!**

Sexual Breathing! Known by the Yogas, but almost completely forgotten in our day! (One of its many uses — to remove, for good, the false limitation that keeps you now from making brillant love **for hours** . . . or, if you so choose, **all night!)**

Super Circulation! Perhaps the most startling technique of all! How, in essence, to "re-direct" massive blood flow to ANY part of your body, and **therefore achieve a solidity and expansion that you may not have dreamed possible before!**

But this is still not all! Now this amazing volume goes on to give you ALMOST-HYPNOTIC POWER OVER WOMEN, from the very first moment you meet!

But mastery of your own body is incomplete unless it is combined with mastery of the other person's body (and emotions) as well! So now you are given the final step: How to demand more . . . and more . . . and more from your woman, **and make her love every step!**

For example:

What women prize in a lover most . . . what they expect . . . what they fear . . . what turns them on and drives them wild . . . what non-bed actions allow them to trust you completely in bed! **All gathered for you, in condensed form, from "shameless" interviews with hundreds of women all over America!**

How to thaw out the lady who wears a "psychological chastity belt"! Snap her out of her "sexual shock" for perhaps the first time in her adult life! **Turn her on completely, so she'll do with you what she'd never think of doing with anyone else!**

How to spot the **highly-sexed** woman, before you even begin talking to her! (No, she is NOT promiscuious! She saves her abandon for special man. But, once you convince her, this way, that you're that man, **then get ready for the greatest night of your life . . . for openers!)**

How to let a woman know, without offending her in any way, that you will thrill her in bed, **within five minutes after you meet her.**

How to prepare a woman for **unbridled** love! (For example, on page 234 you will find a new method of **kissing** that may actually send her into spasms of ecstasy **before** you lay a finger on her body! **And wait till you read the pages after that!)**

So what you have here is a revolutionary new handbook, not only to massive sexual potency, but to complete mastery in bed! And it's yours to read from cover to cover, entirely at our risk!

Why not send for it, with the No-Risk Coupon, today. Your full money back, of course, if you are not delighted.

Can a woman teach men Super-Potency? The answer is an overwhelming YES!

Take a renowned teacher of "Psycho-Control" (the power of the mind, if properly trained, to completely master the vital functions of the body). Give her twenty-plus years of success in teaching both men and women to lose weight at will . . . break the cigarette habit at will . . . snap out of allergies at will. And then let her direct those same mind-over-body discoveries to the most important "If-I-could-only-command-it" area of all!

What happens? Breakthroughs — documented again and again and again — **for men of all ages, and all problems, gaining new-born virility they couldn't have believed possible only a few short weeks before!**

Read these thrilling case histories yourself in Rachael Copelan's revolutionary new book — and read them entirely at our risk! And then take the exact same Potency Techniques that she is teaching for up to $100 a week in her nationally-famous Sex Clinic in New York City . . . **and use them to transform YOUR sex life — today — entirely at our risk!**

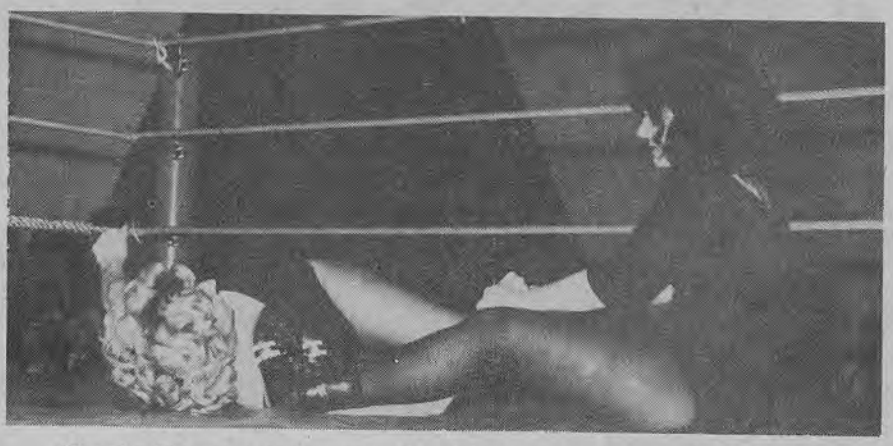
The American Red Cross. The Good Neighbor.

FIGHTIN' FEMALES



Blanche Brown had the upper hand in the early going of her match with Mildred Van Lloyds as she works over the Blonde Bombshell's arm.

The ring wasn't a big enough battleground for Blanche and Midred as they squared off outside the squared circle, much to the delight of the ringside rooters.

Both of these fighting females have been counted out, but the battle raged on and finally the referee had to step in and bring about a cease-fire.

READERS' PROS & CONS

Sirs:

After reading "The Texas Terror Blackjack Mulligan" I just had to let you know how much I appreciated it. I think Mulligan is so terrific. He's by far my favorite. I think he deserves a lot more credit than he seems to get. His wrestling is not only rough it's also very skillful. He really turns me on!

Recently I noticed the scar on his leg and I felt it may have been from a stabbing. It hurts me to think any 'true' fan could do this to any wrestler. I am only glad "Mully" was able to get help. Heaven knows if I had of been nearby I'd have tried to help him —

Thanks again for the story. Let's see more of Mulligan. He's worth every printed page!!!!

Dear Sirs;

I recently received a back issue of Wrestling Revue (June 1975). In it, there was an article on the Mixed Match Championship. You said in the article, that you would have an article on the results of the Mixed Match Tournament to follow. Ever since, I never saw an article on it. Please have an article on it with plenty of pictures.

Also in the article on the Mixed Matches, it was said that there were two matches. Charlie won the first, and Denise won the second. From studying the pictures, I have concluded that in the match Denise won, she wore a bikini, and in the match she lost, she wore a one piece suit. But the description of the second match said, "I flipped her off, but she snapped right back around my head with a classic scissors hold." The picture showing Denise applying the head scissors shows her wearing the one piece suit, but from studying the pictures I found she lost the match in which she wore the one piece suit. But, the caption of the picture said, "Charlie's eyes were bugging out as Denise put the scissors hold on him. It was the beginning of the end." That caption suggests that she won that match but the pictures say she didn't. Please explain.

Also please have more articles on mixed matches. As they are getting more popular you seem to seldom have articles on them.

(EDITOR'S NOTE: We did not have a follow-up story on the Mixed Match championship as promised in the June 1975, issue of Wrestling Revue for two reasons.

First, the photographer who supplied us with the pictures of these matches was tragically killed in an automobile accident and we have been unable to come to terms with anyone else associating with such matches to provide the photos.

However, we have not given up in our efforts and if successful in locating someone will run a similar feature in some future issue.

As for the change in attire by Denise. All the photos were shot of her victorious match, a two-out-of-three falls affair. Denise forced Charlie to concede the first fall when she reversed a leg hold. However, her one-piece suit was torn during this fall and she changed to a two-piece.

The text describes only the deciding falls in each of the matches. Charlie won the first and Denise the rematch "It wasn't the same costume in the second fall — instead of rematch."

However, you are indeed a very observant reader to have noticed the mistake.)

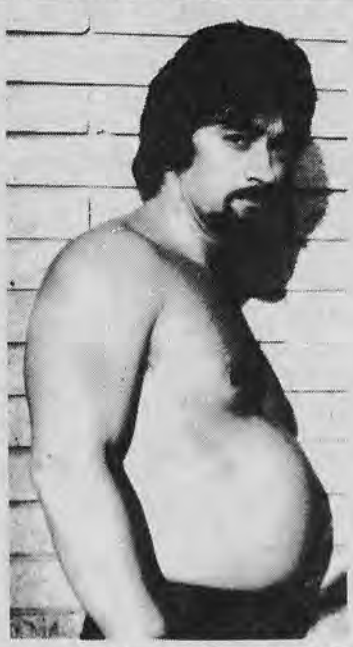
IS IT THE WORLDS FASTEST, MOST EFFECTIVE FAT BURNING SYSTEM EVER?

I sincerely think it is! Why? Because many of the principles and methods used are the same as those used by top physique champions to eliminate all excess fat.

In fact, many physique champions reduce their body fat to the extreme, so that the skin becomes almost paper thin. Certainly you don't want to become extremely thin. But, it's nice to know that the Fat Burning System can accomplish



almost any weight reduction you desire. And isn't that what you want?

This system is so unique and effective (because it really works)--so much so, that we have had the system copyrighted with the US Government, so that the secrets cannot be copied and stolen!

MAN OR WOMAN--YOUNG OR NOT SO YOUNG--THIS SYSTEM IS FOR YOU!

Everyone can use this system, regardless whether you're young or not so young. It doesn't matter whether you're 10 or 100 pounds overweight, or how many times you have tried to get into shape. With this new system you'll lose weight faster than ever before. In fact you'll have more energy, strength and endurance so that you will feel younger and enjoy a fuller more active life.

I HAVE A SUPER EXERCISE FOR YOU! MORE EFFECTIVE THAN JOGGING!

To help you loose that fat even faster, I've developed a program for a Fun exercise that is more effective than jogging (in the same amount of time), yet it can be done in the privacy of your own bedroom. It takes only several minutes, three times a week to perform this unique exercise! This exercise is done by top athletes and even astronauts. You won't believe how fast your energy level will rise (and how fast you'll get back into shape).

THIS AMAZING SYSTEM REQUIRES ONLY A MINIMAL AMOUNT OF YOUR TIME!

This system requires a small amount of your time (and some effort), but the results will be nothing short of miraculous! Our program offers you plenty of food to eat, plus supplements that will also help burn off the excess fat.

IF YOU REALLY WANT TO BE TRIM AND SLIM...AND WITHIN DAYS BEGIN TO SEE A REAL DIFFERENCE IN YOUR APPEARANCE--THEN THIS SYSTEM IS FOR YOU!

Remember, it doesn't matter how many times you have tried to lose weight, your time has finally come, with the Amazing Fat Burning System!

A healthy slim, trim and energetic figure is our goal--make it yours!

SEE DRAMATIC RESULTS IN JUST DAYS...OR RETURN EVERYTHING FOR A FULL REFUND!

You have nothing to loose except fat. Try the Amazing Fat Burning System for a couple of weeks--if you don't feel that the results are fantastic in every way, you can return the system to us, and you'll get a full refund. Just like that! No questions asked.

Give it a try today.
